charity of the month

The only thing better than enjoying the 775 is knowing each time you do, a charity in Northern Nevada will benefit too! As locals, we support locals. Each time you make a purchase at the 775, we'll make a donation to our "Charity of the Month"

The Active 20-30 Club of Reno

The Active 20-30 Club of Reno is the civic and social club of Reno, for involved people between the ages of 20 and 39! The 20-30 Club of Reno was created to provide charitable social services for children in the Reno-Sparks community while simultaneously providing a place for social interaction between peers.

Founded in 1927, our local club has a rich history in the Reno area, with many past actives being leaders in the business community and numerous members shaping the political landscape of the State of Nevada. The club has built a relationship with Kohl's department store where we host our children's Back to School and Christmas Shopping Spree's in which 150 kids from our community were served last year alone. 20-30 has also developed a partnership with Echo Loder Elementary and Sun Valley Elementary Schools in which we work hands-on with children.
